

In order to help our homeless neighbors, we need to know who they are, where they are, and what challenges they face.

Join us January 17-18, 2013 for the **ATLANTA HOMELESS REGISTRY**

The goal of the Atlanta Homeless Registry is to create a by-name registry of people living on our streets and in shelters, enabling us to prioritize those most vulnerable and those most at risk of dying on the street so that we can connect them with housing and services that meet their needs.

We need hundreds of volunteers to help conduct surveys with homeless people sleeping in unsheltered locations and emergency shelters. All volunteers will be trained and placed on teams supported by professional outreach workers and the Atlanta Police Department's HOPE (Homeless Outreach, Prevention, and Emergency) services team. And there are plenty of other ways to get involved.

Help us gather the information we need to end chronic homelessness in Atlanta.

The Atlanta Homeless Registry is sponsored by the Office of Mayor Kasim Reed's *Unsheltered No More* Initiative, United Way of Greater Atlanta, Hands On Atlanta, and Central Atlanta Progress, in coordination with the national *100,000 Homes* Campaign. *Unsheltered No More* is a partnership between Mayor Kasim Reed and community leaders to dramatically reduce street homelessness in Atlanta.
